The INSPIRE *Collection*

The INSPIRE *Collection*

Curated to inspire; to add that missing touch to any space.

Carefully created to elevate any space to its full potential. Designed with a distinctly decorative focus, each piece simultaneously creates ambience, while serving as a statement in your space.

Beyond aesthetics, it's about creating experiences in spaces that mean the most to you; transforming spaces you see everyday into something more.

BLOOM

Where Ambience Meets Practicality

Creating a dynamic ambience; filling the room with a soft glow as its hidden spotlight brings attention to what you deem important.

BLOOM

Ambience Meets Practicality

Creating a dynamic ambience; filling the room with a soft glow as its hidden spotlight brings function to the space below.

LS SERIES

Redefining the limits of linear

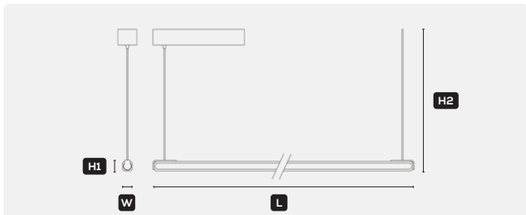
The LS range breaks down the barrier on what a linear luminaire can be, with fittings that can fit into a variety of categories and inspire any space.

Each luminaire in the LS Series carries the same form in its design, creating a seamless cohesion throughout your space. Tie in design choices made in one space through to the rest of them effortlessly.

LS GLIDE

Our Next Step In Linear.

Lead your eyes with both the form of the light and its ambience; defining the atmosphere of your space. Captivating with its refined details while bringing function to what's important.



LED & LUMENS

43W 2720lm

EFFICACY Up to 63 Lm/W

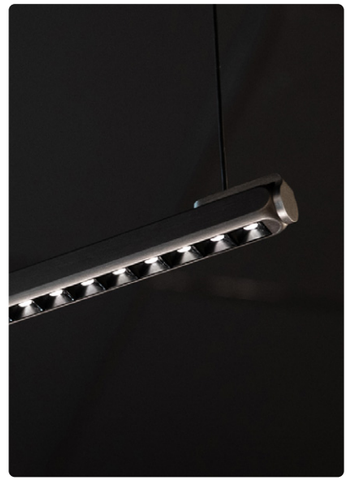
DIMENSIONS **L** 1520mm **W** 25mm **H1** 27mm **H2** 2060m

Refined Illumination

Keep the light where you need it with lenses and a black baffle, further guiding the light and reducing glare.

Matching Your Space

Our LS Glide features our two brand new finishes, Champagne & Carbon. Designed to bring a fresh, yet timeless look to any space.



Deep-Set LED's

Keep light-leakage to a minimum with purpose-built baffles and deep-set LED's. Providing greater efficiency, as well as improved visual comfort.
