

## INARCHI COMES TO LIFE AS MEMBER OF THE MANOOI GROUP

The designers responsible for the explosive success of the Manooi brand have made their new vision come to life, standing as minimalist complement to the Manooi range of luxury crystal chandeliers. "Leveraging the years of experience in manufacturing and distributing premium-class chandeliers, we decided to bring the Inarchi product line to life" explains Lead Designer, Janos Heder.

„These designs have been in our minds for the last two years or so, but the time, when we could make these product reality has come now. We are filled with multitudes of ideas, and now, beside the innovation and forward thinking that we bring into Manooi, we have a whole new World to shape and form, under the Inarchi brand. It is truly an uplifting feeling to have this project come to life - when the goal is clear, and the process of creation seems as organic as a flow of thoughts."

## ONO

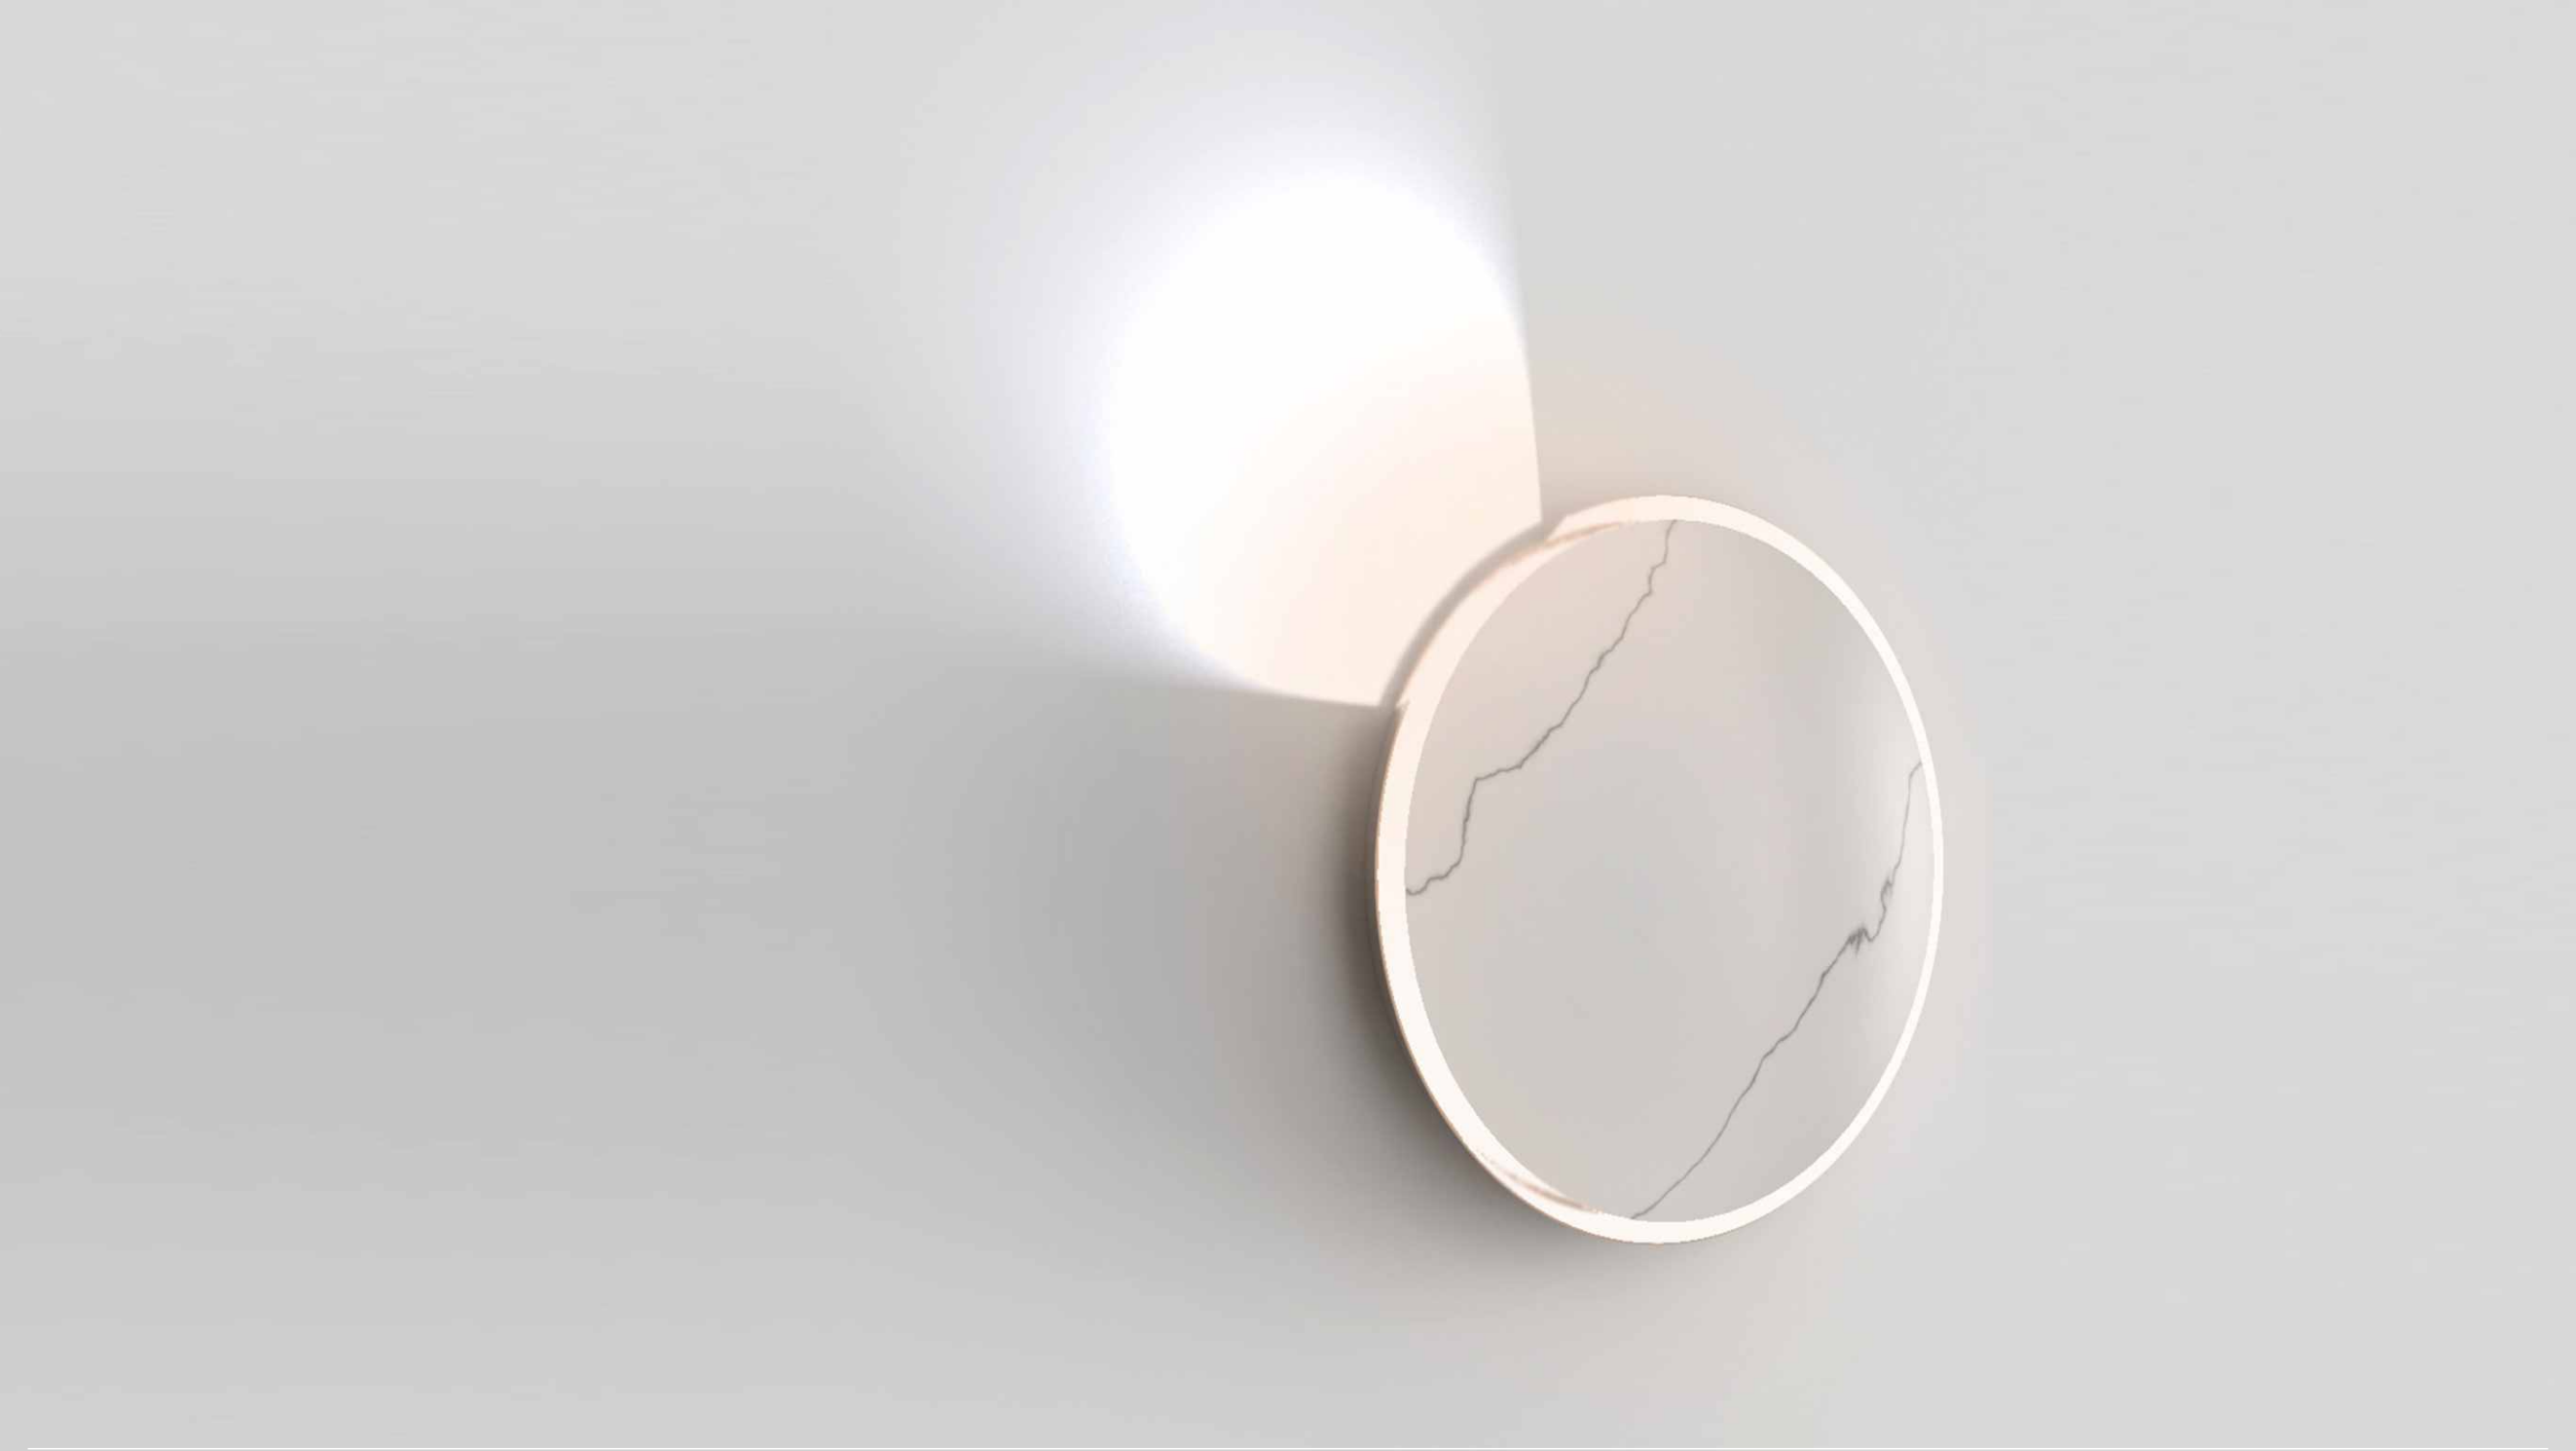

Wall sconce with polished stone face and bronze ring with high-performance LED light

Wall lamp with polished carrara marble face featuring a circular metal ring to direct the light of high-performance LEDs inside. The exterior ring may be white or the natural finish of copper.

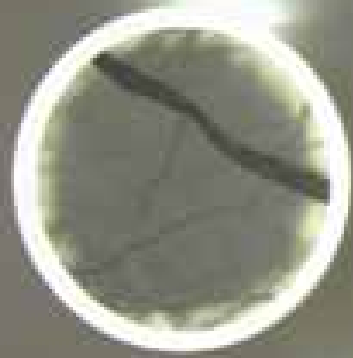

Breathtakingly elegant and light, yet still allows playful variations, giving both a directed light, and a beautiful glow from underneath the copper shade.
